Kaisho Forest Nature Walk Etiquette

Those arriving by car must leave their vehicles in the parking lot.
Cars, motorcycles and bicycles can only be used on the city roads.
Do not disturb the residents.
Do not enter wetlands and woods coming off from route on the map.
Do not catch animals or pick plants.
Do not introduce outside plants and animals to the forest.
Do not frighten the animals.
Pets are not allowed in the forest.
Take your garbage with you.
The use of fire in any form is strictly prohibited.
Camping and barbecues are prohibited.
Be aware that toilets are not provided along walking path.
(Toilets are available at the Kaisho forest parking lot and the SATOYAMA satellite.)
Bring enough food and water (water fountains are not provided.)
Do not disturb other walkers.

Please follow these rules and other proper etiquette so that everyone can enjoy Kaisho forest. Also, we ask for your cooperation in helping to preserve the natural environment.

- ★ Illegal dumping and unauthorized thinning are strictly prohibited.
- ★ The parking lot cannot be used at night.
