(Professor) Futamura Rika

An active teacher and mother of five children.

Qualified as a baby massage touch care therapist. Her baby massage lessons are held at Toyohashi and Toyokawa city facilities.

The recommended point of baby massage without using oil is that you can do it easily with your clothes on.

It's even safe for babies with sensitive skin.

In the end of the class, we will have time to talk about parenting issues and get along with each other!
